### Exercise 5 (Part A)

Questions 28-35

You will hear someone giving a talk about the Youth Olympic Games. Listen to the talk and complete the notes using **words or phrases that you hear**. Write **one or two words and/or a number** only in each gap. **Spelling and grammar matter!** You will hear the talk twice.

#### The Youth Olympic Games

The Youth Olympic Games is an international multi-sport event for athletes between 15 and 18 years old. The games are planned with the Winter rather than Summer Games held in (28)\_\_\_\_\_.

In the regular Summer Olympics, the minimum age depends on the sport and can be as young as 14. However, the average age of an Olympic athlete is around (29)\_\_\_\_\_.

The idea of the YOG came from (30)\_\_\_\_\_ industrialist Johann Rosenzopf in response to growing worldwide concerns about (31)\_\_\_\_\_ and the falling participation in youth sport, especially in (32)\_\_\_\_\_. The first summer YOG was held in Singapore in August 2010.

Host cities are required to keep all events within the same city. No new sports venues should be constructed except for amphitheatre facilities, and a sports village for coaches and a (33)\_\_\_\_\_. Buses will convey all athletes and coaches. The stadium for the opening and closing ceremonies must seat (34)\_\_\_\_\_ spectators.

In 2026, the YOG will take place in Dakar, Senegal, the first country on the (35)\_\_\_\_\_ to host an Olympic sports event and illustrating the wish to take the Games to all parts of the globe.

Each correct answer gets 1 mark

## Exercise 5 (Part B)

### Questions 36 to 40

You will hear a conversation between students Mariama, and her friend, Pamela, about the Youth Olympics. Listen, and complete the gaps **36 to 40** in Pamela's diary with **words or phrases that you hear**. You must write **no more than two words and/or a number**. You will hear the conversation twice. Each correct answer gets 1 mark

### Pamela's Diary

#### Monday

I learned some new stuff about my friend Mariama today. We were in the sports hall doing some (36)\_\_\_\_, and I asked her if she wanted to be chosen for the County Team in that sport. She told me that she wants to go to Dakar and win a gold medal for her work on the (37)\_\_\_\_, just like one of her heroes.

Apparently, it is particularly important for Mariama, because some of her family, especially her (38)\_\_\_\_ come from Senegal (where Dakar is), and she thinks of herself as Senegalese. I didn't know that, although I've found out since that Mariama is a traditional Senegalese name. Mind you, she did say that she wants to be a part of the (39)\_\_\_\_\_.

I asked her who she supports when our countries play each other at football. Apparently, she has something in each hand, an (40) \_\_\_\_\_ in her left. I wonder if that is significant?
